Start Date: September 2023. We would consider an earlier start date for English or Maths specialist

Closing date: Monday 13th March at 12 Noon.

Interviews: w/c Monday 13th March 2023

Salary Grade: Permanent Contract, Teacher Pay Scale + SEN allowance

Are you an exceptional teacher looking for your next career move? The Satellite school would like to hear from you!

We are a fun and innovative specialist school based in Islington and we are looking for secondary teachers who are:

- Skilled in teaching GCSEs
- Able to teach BTECs and Functional Skills
- Positive and creative, with a flexible approach to teaching
- Forward-thinking, inspirational and receptive to change
- An excellent teacher with a successful track record of impacting positively upon student wellbeing and progress
- Able to respond to behaviour with resilience using a sensitive and positive approach.

Our story:

The Satellite School opened its Primary school in September 2017 and its Secondary school in 2018 for Key Stage 3. The school consists of two bases, a primary and a secondary, both of which are co-located with mainstream partner schools. The secondary school renovation was completed in 2023, providing a wonderful, calm learning environment.

We are a school for students with autism and follow key areas of the National Curriculum alongside a core Satellite curriculum tailored to the needs of our students. We use a positive behaviour approach which supports our students to develop the skills to become safe, independent and resilient young people.

In return, we can offer you:

- Excellent professional development opportunities linked with The Bridge MAT family of schools
- A chance to help define the school and progress your career
- Small class sizes with specialist teaching assistant support
- SEND training including ASC and ADHD
- A supportive community and a committed team of staff that are equally determined to give students the best possible opportunities
- Schools UK, Schroders, Dell Advantage, Salary extras bike scheme

Find out more:

We strongly encourage applicants to visit us at our newly renovated secondary school to meet our students and staff team. If you have the requisite skills and would like to find out more, please contact our administration officer on 0207 619 1000 option 3 for Satellite, followed by option 2 for School Office. Please return your completed application form together with equal opportunities form to: recruitment@thebridgetrust.academy

- Please note CVs will **not** be accepted.

Communicating and working with others

- Communicate effectively with children, young people and colleagues.
- Communicate effectively with parents and carers, conveying timely and relevant information about attainment, objectives, progress and well-being.
- Recognise that communication is a two-way process and encourage parents and carers to participate in discussions about the progress, development and well-being of children and young people.
- Recognise and respect the contributions that colleagues, parents and carers can make to the development and well-being of children and young people, and raising their levels of attainment.
- Have a commitment to collaboration and co-operative working where appropriate

Personal and professional development

- Evaluate their performance and be committed to improving their practice through appropriate professional development.
- Have a creative and constructively critical approach towards innovation; being prepared to adapt their practice where benefits and improvements are identified.
- Act upon advice and feedback and be open to coaching and mentoring.

Professional knowledge and understanding

Teaching and learning

- Have a good, up-to-date working knowledge and understanding of a range of teaching, learning and behaviour management strategies and know how to use and adapt them, including how to personalise learning to provide opportunities for all learners to achieve their potential.

Assessment and monitoring

- Know a range of approaches to assessment, including the importance of formative assessment.
- Know how to use local and national statistical information to evaluate the effectiveness of their teaching, to monitor the progress of those they teach and to raise levels of attainment.
- Know how to use reports and other sources of external information related to assessment in order to provide learners with accurate and constructive feedback on their strengths, weaknesses, attainment, progress and areas for development, including action plans for improvement.

Subjects and curriculum

- Have a secure knowledge and understanding of the curriculum areas and related pedagogy.
- Know and understand the relevant statutory and non-statutory curricula and frameworks

Literacy, numeracy and ICT

- Know how to use skills in literacy, numeracy and ICT to support their teaching and wider professional activities.

Achievement and Diversity

- Understand how children and young people develop and how the progress, rate of development and well-being of learners are affected by a range of developmental, social, religious, ethnic, cultural and linguistic influences.
- Know how to make effective personalised provision for those they teach, including those for whom English is an additional language or who have special educational needs or disabilities, and how to take practical account of diversity and promote equality and inclusion in their teaching.
- Understand the roles of colleagues with specific expertise.
- Know when to draw on the expertise of colleagues.

Health and well-being

- Know the current legal requirements, national policies and guidance on the safeguarding and promotion of the well-being of children and young people.
- Know the local arrangements concerning the safeguarding of children and young people.
- Know how to identify potential child abuse or neglect and follow safeguarding procedures.
- Know how to identify and support children and young people whose progress, development or well-being is affected by changes or difficulties in their personal circumstances, and when to refer them to colleagues for specialist support.

Professional skills

- To take an active part in whole-school development planning.
- Plan for progression across the age and ability range they teach, designing effective learning sequences within lessons and across series of lessons informed by secure subject/curriculum knowledge.
- Design opportunities for learners to develop their literacy, numeracy, ICT and thinking and learning skills appropriate within their phase and context.
- Plan, set, assess homework, and other out-of-class assignments where appropriate, to sustain learners' progress and to extend and consolidate their learning.

Teaching

- To have responsibility for a class group/tutor group (unless otherwise directed by the Headteacher).
- To teach two subject specialisms.
- To be responsible for delivering the appropriate curriculum.
- To organise the classroom, its resources, pupil groupings and displays in order to provide a stimulating learning environment.
- Teach challenging, well-organised lessons and sequences of lessons across the age and ability range
- Use an appropriate range of teaching strategies and resources, including e-learning, which meet learners' needs and take practical account of diversity and promote equality and inclusion.
- Build on the prior knowledge and attainment of those they teach in order that learners meet learning objectives and make sustained progress.
- Develop concepts and processes which enable learners to apply new knowledge, understanding and skills.
- Adapt their language to suit the learners they teach, introducing new ideas and concepts clearly, and using explanations, questions, discussions and plenaries effectively.
- Manage the learning of individuals, groups and whole classes effectively, modifying their teaching appropriately to suit the stage of the lesson and the needs of the learners.
- Teach engaging and motivating lessons informed by well-grounded expectations of learners and designed to raise levels of attainment.

Assessing, monitoring and giving feedback

- To become acquainted with the planning and record keeping systems in operation in the school; to keep records efficiently and submit them for inspection by the Headteacher on a regular basis upon request.
- Make effective use of an appropriate range of observation, assessment, monitoring and recording strategies as a basis for setting challenging learning objectives and monitoring learners' progress and levels of attainment.
- Provide learners, colleagues, parents and carers with timely, accurate and constructive feedback on learners' attainment, progress and areas for development.
- Support and guide learners so that they can reflect on their learning, identify the progress they have made, set positive targets for improvement and become successful independent learners.
- Use assessment as part of their teaching to diagnose learners' needs, set realistic and challenging targets for improvement and plan future teaching.

Reviewing teaching and learning

- To attend Reviews and Case Conferences when required, mainly during school hours, but sometimes out of school hours.
- Review the effectiveness of their teaching and its impact on learners' progress, attainment and well-being, refining their approaches where necessary.
- Review the impact of the feedback provided to learners and guide learners on how to improve their attainment.

Learning environment

- To direct and coordinate the work of support staff in their class team or curriculum group.
- Establish a purposeful and safe learning environment which complies with current legal requirements, national policies and guidance on the safeguarding and well-being of children and young people so that learners feel secure and sufficiently confident to make an active contribution to learning and to the school.
- Follow the school's safeguarding policy and procedures.
- Identify and use opportunities to personalise and extend learning through out-of-school contexts where possible making links between in-school learning and learning in out-of-school contexts.
- Manage learners' behaviour constructively by establishing and maintaining a clear and positive framework, in line with the school's behaviour policy.
- Use a range of techniques and strategies to promote the behaviour, adapting them as necessary to promote the self-control and independence of learners.
- Promote learners' self-control, independence and cooperation through developing their social, emotional and behavioural skills.

Team Working and Collaboration

- To promote good home-school communication system with parents.
- To liaise with other professions and support teachers to develop learning programmes for individual students and /or groups of students.
- Work as a team member and identify opportunities for working with colleagues, managing their work where appropriate and sharing the development of effective practice with them.
- Ensure that colleagues working with them are appropriately involved in supporting learning and understand the roles they are expected to fulfil.

Personal responsibilities

- To co-operate with the school's Performance Management Procedures.
- To support the Headteacher in the implementation of all school policies and procedures.
- To carry out the duties and responsibilities of the post, in accordance with the school's Health and Safety Policy and relevant Health and Safety Guidance and Legislation.
