Transition Process

We aim to ensure that pupils have a successful transition from their current setting to The Bridge.

Pupils transitioning to The Bridge at the start of the academic year:

We invite parents and pupils to visit The Bridge School. During this time, parents and children will get to spend time in class and meet members of the class team. Parents will then get time to complete relevant paperwork and attend a meet and greet information session with a member of the leadership team and the health team. All pupils will be given a social story before the holidays to prepare them for the transition.

In addition to the above, EYFS Transition includes:

Charlotte (Senior Teacher and EYFS Lead) will visit the current setting of your child and observe them and attend a transition meeting.

In September, there will be a phased transition into school for the first week of school. Pupils and parents will be invited to spend a morning or afternoon in class in two small groups, to help the pupils to adjust to their surroundings. At the start of the second week of school pupils will then attend full time.

Transition week for EYFS

AM Group 9:30 - 12:00

PM Group 12:45 - 3:00

On Tuesday 5th September you will be invited to stay in class while your child settles, however not for the whole session as this will allow pupils to adjust without your presence.

Parents of all pupils transitioning to The Bridge School are invited to our:

- Parents' Group, giving you the opportunity to meet other parents.
- Leadership Meet and Greet
- Health Team Meet and Greet

During the first week, you will receive a phone call from the class teacher.

On the first day of school, you will be invited to bring you child to school at 10:00am and go to class for a short period of time to allow them to settle. This will allow you to meet the class team and for your child to transition into school once everybody is settled into class.
