The Bridge Easton is a new special school for children with complex needs and/or autism. The school is based on a beautiful site in the village of Easton. As a school we will work with children, their families and other professionals within education, health, and care to support our children and young people to have a successful journey through their education. Our main school has children from reception to Year 9. Our Base provision offers a bespoke education to children and young people with autism. Our SNP vacancies could be within our main school or within The Base depending on the successful candidates interests and experience.

### **We are recruiting for a 1:1 Teaching Assistants:**

- To support the health needs and educational needs of a child with a complex medical condition.
- To work closely with the teacher and support staff, in line with The Bridge School policies and guidance.
- To support the child's day to day care and welfare, and support with assessment, recording and reporting on achievement, behaviour for learning, progress and development.

### **In return, we can offer you:**

- Excellent professional development opportunities
- As supportive community and a committed team of staff that are equally determined to give students the best possible opportunities.
- An opportunity to develop your own ideas through practitioner-led research.
- Financial Wellbeing Scheme, Employee discount schemes, Employee Assistance Programs.
