Our School Improvement Focus this week: Care

This has been a very busy week which suddenly seems to have flown and we find ourselves on the last day of term. The children have been fantastic this week, showing real care and concern for each other, delivering quarantined Christmas cards, making cards for their friends and proving how wonderful each of them is.

Christmas dinner was a socially distanced, military

operation but it was wonderful to have all the children eating together again safely and seeing them enjoying meeting with their friends after so long seeing each other

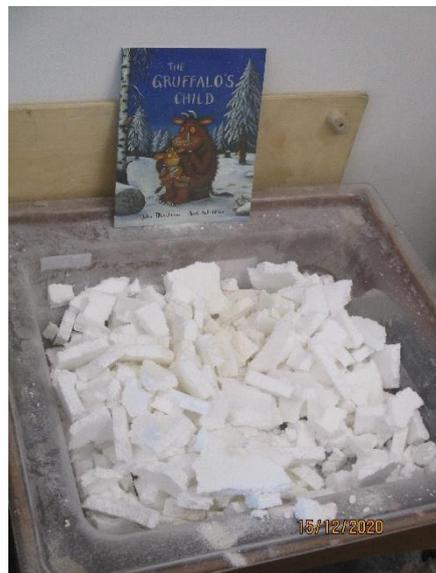

from far away.

Children enjoyed playing dodgeball against other classes in PE lessons this week and staff even joined in, having just as much fun and keeping healthy all together.

Children in the new Gruffalo's classroom enjoyed exploring the stories of the Gruffalo and The Gruffalo's Child this week, using a multi-sensory approach to continuous provision and an edible Gruffalo Forest.

Children joined each other in making Christingles this week as part of their preparations for Christmas, complete with

School News

glow sticks as lights, and enjoyed finding out what each part of the Christingle orange represents.

Children in Hedgehogs have been busy sewing this week, making stockings to hang up at home ready for Santa to visit as well as exploring orbies and jelly as part of sensory play.

It's been a pleasure working with your children this year and, from all the team at The Fen Rivers Academy, we would like to take this opportunity to thank you for your support and wish you a peaceful and safe Christmas and a prosperous 2021.

Mrs Fewkes and Team Fen Rivers.
