Multi Academies Trust

Issue: 05 May 7th 2020

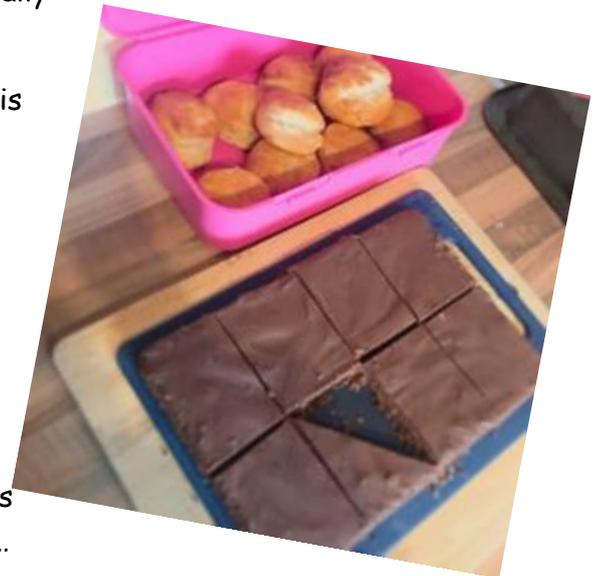

This week I was super excited to hear from one of the teachers with feedback concerning a pupil talking about his learning with real enthusiasm. Having worked really hard to plan work on The Battle of Britain, including a story map of these events in history, Mrs Gibson-Hill was delighted to get this feedback from one of the Year 6 children,

"The Battle of Britain is EPIC!"

We are so glad you are enjoying your learning, especially when working in a very different way to normal.

Here is more news about what you have been up to this week...

"Me and my mum did some early morning baking and made scones and chocolate oat cakes ready to take my nan and grandad a home-made afternoon tea. Door drop off of course. 😊 T"

Lots of you have been really busy on Purple Mash working on the tasks your teachers have set and it has been great to see the progress you have been making. Well done everybody. Keep the photos and comments about your learning coming in as we love to share them.

With the Government beginning to make noises about the possibility of reopening schools the teachers will be in touch this week to seek your views about reopening and ensure your voices are heard and listened to. If you feel you would like a more in-depth conversation about it please don't hesitate to get in touch via the email link below.

We are beginning to plan for the next academic year and the term dates for 2020-2021 are now on the school website.

Take great care and see you all soon.

Mrs Fewkes
