Newsletter week beg 12/04/21

Welcome back! Summer term is upon us already. Fingers crossed for some sunny warm weather. We have lots of fun things planned this term including

Number Day from the NSPCC on the 7th May

and our very own Race for Life on the 19th May. You can take a look here at the webpage for it. We have set up our very own just giving page for you to donate, if you would like. All the money

raised will go to Cancer Research.

Our school is delighted to be taking part in Royal Mail's Heroes Stamp Design Competition, honouring the heroes of the coronavirus pandemic. Eight pupils from primary and

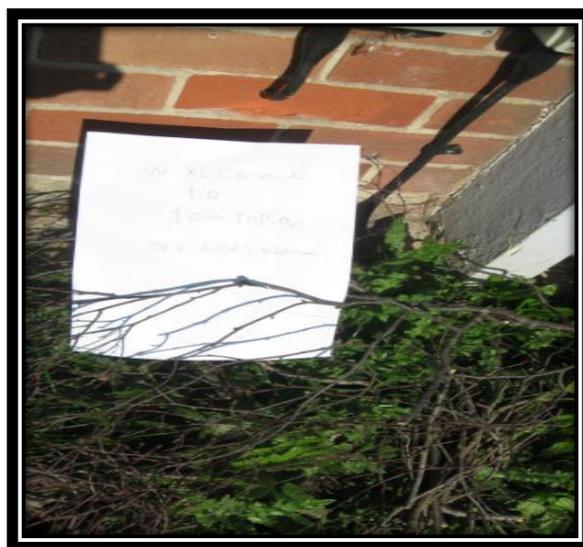

secondary schools across the UK will become the designers of this stamp set, and one could be your child! If you would like to enter see below and ask your teacher.

An extremely busy Forest Schools this week! Everyone had great fun designing stick carriers, using the binoculars and looking for birds and bugs!

There was even some tree climbing to get a better vantage point for bird spotting!

And finally..... where has Mr Thompson gone? Will we ever see him again or will he be camouflaged forever?

Let me know if you spot him!
