KS1-2

Please note that a few Y1-Y6 objectives are multi-coded.

For example, an objective may be highlighted green (in KS1/2), but with parts of it also highlighted amber or red. However, this objective has been classified as green in the above table.

KS3

Y7,Y8,Y9 NC objectives have been colour coded differently. In the (KS3) NC, there is no distinction between which objectives are for which year group. However, in the FR curriculum, we have suggested which objectives may be more applicable in Year 7, Year 8 and Year 9.
