The Bridge Easton is a special school for children with complex needs and/or autism. The school is based on a beautiful site in the village of Easton. As a school we work with children, their families and other professionals within education, health, and care to support our children and young people to have a successful journey through their education. We are creating a safe, friendly, caring, energetic and fun school. The new building supports our class teams to be able to inspire and nurture our children and young people, meeting their individual needs. Our main school currently has children from reception to Year 9. Our Base provision offers a small cohort of children a bespoke educational provision. We have 100 children on roll at present with a growth plan to increase to 170 over the next three years.

We are looking to recruit an innovative and passionate Assistant Headteacher to join our dynamic leadership team. This is an exciting time to join us as we embed our positive culture and ethos alongside developing our curriculum and provision to meet the needs of our children and young people. Areas of responsibility can be discussed at interview and shaped around the needs of the school and the strengths and interests of the successful candidate.
