This policy is reviewed and updated annually to ensure that food and drink in the examination room at Fen Rivers is managed in accordance with current requirements and regulations.

References in this policy to ICE refer to the JCQ publication Instructions for conducting examinations.

Purpose of the policy

This policy confirms that Fen Rivers reserves the right to exercise discretion whether to allow food and drink in the examination room, and confirms:

- The correct procedures are followed regarding food and drink in the examination room
- Appropriate arrangements are in place for the management of food and drink in the examination room

1. Food and drink in the examination room

- Food and drink are allowed in the examination room at the discretion of the head of centre (ICE 18.2)

To enable invigilators to check these items quickly and efficiently:

- Food brought into the examination room by the candidate must be free of packaging and in a transparent container
- Drink bottles must be transparent with all labels removed which would include transparent, reusable plastic bottles (ice 18.2)

The following arrangements are applied at Fen Rivers:

Water in clear plastic bottles without any labels will be allowed in the exam room and will be provided for students by the centre.

Additional centre-specific arrangements: Not applicable.
