## Successes

30 accredited qualifications have been achieved this year;  
28 by Year 11 and 2 by younger students.

Year 11 Pupils, on average, have achieved 4 accredited qualifications

3 pupils (60%) left Fen Rivers School with 4 or more GCSE / Level 2 equivalent qualifications.

1 pupil (20%) left with 5 or more Level 2 qualifications at Grade 4 or above

2 pupils (40%) left with 7 or more accredited qualifications.

Five Year 11 students took exams in 2025/26

## Looking to the Future

July 2026 – 4/5 students have offers for college places in mainstream colleges. One is being supported by school and has been referred to Boost for support to secure a college place or employment

[BOOST - Helping young people succeed - Norfolk County Council](#)

One student is following their passion for the Arts, two are going on to college to study construction, having experienced this as part of their options subjects, through Open Road Norfolk, and one is going to college to study Computer Science. We hope they will come back and talk to others about their experiences post Fen Rivers in the future as part of our new Alumni programme.
